Summary

Outcome-focused finance professional with 5+ years of experience in financial analysis, equity research, investment evaluation, and management consulting. Proven ability to translate complex financial data into actionable insights that drive strategic decision-making. Skilled in **financial modelling, analysis, forecasting, and valuation**, with advanced proficiency in **Bloomberg Terminal, Excel, SQL and Python** for data-driven analysis and automation. Demonstrated success in supporting C-level executives, conducting market and competitor research, and improving financial processes. Adaptable and collaborative, with a strong foundation in both technical analysis and business acumen. Committed to delivering value beyond tools by asking the right questions, connecting the dots across teams, and focusing on long-term impact.

03/2025 – Present **Relocation to Germany, job search and language acquisition**

- Completed German language training up to the B1 level.
- Conducted Macroeconomics research and developed a blog.
- Built AI tools for automated equity analysis and simplified investment risk evaluation.

Professional Experience

10/2022 – 03/2025 **Financial Research Analyst**

Infosys BPM Limited, Dublin (Ireland)

- Supported fund analysis and equity research on European indices, including performance metrics (EPS, sales, margins).
- Conducted detailed financial statement and ratio analysis across sectors to evaluate asset performance, risks, and return profiles.
- Built financial models and KPI dashboards to improve transparency and decision-making.
- Coordinated with data engineers to maintain integrity of financial databases used by institutional clients.
- Assisted in operational reviews, report writing and portfolio performance assessments of financial models.

09/2022 – 10/2022 **Seller Support Associate**

Amazon, Dublin (Ireland)

- Served as a frontline point of contact for Amazon marketplace sellers, resolving software bugs, account issues, and policy questions in a fast-paced environment.

- 12/2020 – 08/2021 **Consultant****
 Triple Line Limited Consulting, Addis Ababa (Ethiopia)
- Developed custom financial data models to monitor financial and non-financial portfolio KPIs.
 - Assisted in project proposals and inception report writing.
- 09/2018 – 10/2020 **Investment Analyst****
 Ethiopian Investment Commission, Addis Ababa (Ethiopia)
- Analysed Foreign Direct Investment (FDI) trends across East Africa and presented opportunities for Investors, securing more than 5 million USD investment for the Commission.
 - Produced investor briefings summarizing market and financial data.

Education

- 09/2021 – 09/2022 **Master of Science in Finance (Capital Market)****
 Dublin City University, Business School, Dublin (Ireland)
- 09/2015 – 07/2018 **Bachelor of Arts in Economics****
 Addis Ababa University, Addis Ababa (Ethiopia)

Technical and Financial Skills

- **Financial Tools:** Bloomberg Terminal, Excel (advanced modelling, pivot tables, VBA), Power BI, and SAP
- **Programming & Automation:** Python (Pandas, NumPy), SQL (data querying & macros), and AI agent tools
- **Portfolio & Market Knowledge:** Financial Forecasting, Equity & Fixed Income Analysis, Portfolio Rebalancing, Risk Metrics, and FX Exposure Monitoring.
